

Lead Across Boundaries

Lydian Altman & Rick Morse, UNC School of Government
May 28, 2021 (via Zoom)

Learning Objectives:

- Understand why leading across boundaries is an essential skill for today's leaders
 - Nature of boundary-spanning problems
 - Collaborative governance (professionals and elected officials)
 - Phases of collaborative governance
- Learn the elements of a collaborative mindset and how they apply to boundary-spanning challenges
- Identify and practice skills needed throughout the phases of collaborative governance

Background Material:

- Written Whittier Case Study (optional reading)
